NEW YORK'S HOMETOWN NEWSPAPER

February 27, 2004 Friday SPORTS FINAL EDITION Pg. 70

## **RIGHT FROM HEARTLAND, HEARTY BBQ** BY LAN N. NGUYEN

Toto, we're not in New York City anymore - judging by the many barbecue places that have set up their pits in the past few years. Gothamites can now sample versions from Tennessee to Texas. Some rib-sticking places that have opened recently:

Daisy May's BBQ USA, 623 11th Ave., at 46th St., (212) 977-1500

This largely takeout space has lured foodies to the far West Side since it opened last summer. The large menu spans Kansas City sweet and sticky pork ribs (\$9) to decadent rustic creamy corn with Wisconsin cheddar (\$3-\$10). Daily specials, too.
