## Daisy May BBQ USA

- Thursday, January 29, 2004

Thinking of Super Bowl Sunday eats led me straight to Daisy May BBQ USA, Adam Perry Lang's superb take-out barbecue joint at 11th Ave and 46th St. It doesn't take an event to make me conjure up taste memories of huge beef ribs, Memphis dry rub pork ribs or Kansas City sweet and sticky pork ribs. Owner/chef Lang worked at some of New York's greatest French restaurants, then was personal chef to a billionaire in New Mexico, and may well be our best pit bull of the moment.

Daisy May's Super Bowl special is a combo of sticky ribs, barbecued chicken, chili, condiments, and three sides Adam calls a really killer potato salad, macaroni salad, and cole slaw. There's still time to pre-order for pickup or delivery Sunday between 1 and 5. The number is 212-977-1500.
